

Eurogamer has also noted that with "Mass Effect: Andromeda" entering its final

Based on Bioware's history, a "Dragon Age"	game usually drops after the last DLC of the "Mass Effect"
game before it.	The only exception is when Bioware released "Dragon Age: Origins - Awakening" before "Mass Effect 2" finished its run.

production stages, and with both Laidlaw and Weekes not working on Bioware's secret new IP, there is a huge possibility that Kennedy was taken onboard for a "Dragon Age" related project.
